

HURRICANE MATTHEW DISASTER RELIEF FUND

Proudly Funded By
The Minister's Conference of Winston-Salem & Vicinity

Dear MCWSV Members and Prospective Donors,

It has been nearly a week since the destructive winds and rains of hurricane Matthew made landfall in Haiti, Jamaica, Cuba, Florida, Georgia and the Carolinas. The Eastern parts of North Carolina are suffering the most from their homes destroyed by major flood damages, downed power lines, and roads washed off, etc. While some members of the community were blessed to have their homes and personal property spared, many suffered devastating losses from the hurricane.

The Minister's Conference is preparing to help with much needed items. With your help this effort will reach those who are in desperate need of basic living essentials. Would you join us in collecting these much needed items?

WHAT: Non-perishable foods, clothing, diapers, infant formula, toiletries, water and monetary donations

Note: The Minister's Conference has an account set up at Mechanics and Farmers Bank. You may make a donation at any branch or you may take advantage of online giving via PayPal on the [Home Page](#). Any contribution is very much appreciated and needed.
